

Choose the layout. Specify the build.

Three documented seating configurations for dealer and fleet procurement. Final equipment and commercial terms are confirmed in the written quotation.

4-seat / 2+2

Layout

2 forward + 2 rear-facing

Length x width x height

2,900 x 1,350 x 2,000 mm

Wheelbase

1,720 mm

Listed motor

3.5 kW AC

Battery reference

60 V / 100 Ah; quoted separately

4-seat / All forward

Layout

4 forward-facing seats

Length x width x height

3,300 x 1,350 x 2,000 mm

Wheelbase

2,400 mm

Listed motor

3.5 kW AC

Battery reference

60 V / 100 Ah; quoted separately

6-seat / 4+2

Layout

4 forward + 2 rear-facing

Length x width x height

3,700 x 1,350 x 2,000 mm

Wheelbase

2,400 mm

Listed motor

3.5 kW AC

Battery reference

60 V / 100 Ah; quoted separately

Reference specifications, not a universal standard-equipment package. Photos show example builds; battery inclusion, accessories, final dimensions and destination documentation must be agreed before ordering.

A quotation you can compare.

01 / THE VEHICLE

Confirm passenger count and seating direction, reference photos, exact equipment and the proposed battery / charger package. Identify included, optional and excluded items.

02 / THE APPLICATION

Describe destination country, intended use, quantity, route conditions, passenger and luggage needs, charging location and preferred timeline.

03 / PACKAGING AND SHIPPING

Ask for packed dimensions, gross weight, packaging method, loading plan, named delivery terms and required shipment documentation. Vehicle dimensions are not packed dimensions.

04 / DOCUMENTATION

Request evidence applicable to the exact model, battery and destination. No universal road-use approval is claimed. Confirm local requirements before purchase.

05 / SUPPORT AND COMMERCIAL TERMS

Agree price, currency, order quantity, lead time, payment milestones and inspection arrangements. Confirm warranty scope, parts support and replacement-part freight separately.
